

## 39th ANNUAL SULTAN SUMMER SHINDIG LOGGING SHOW

Last year was great for the Sultan Shindig! We have several new young competitors! It may seem like a small thing but we had to figure out how to expand our computers scoring process to allow for more competitors last summer. We haven't had to do that for a long time. We are very excited to know that this event will continue and is even growing. These young people are dedicated to preserving the history and traditions of the Northwest Logger.

The logging contest has always been the heart and soul of Shindig but we also have parades, live music, fireworks, street fair, children's activities and car/truck show but the Logging contest is the main event!

July 12-13-14 2024 marks the 39th Anniversary of the Sultan Shindig Logging Show, an event showcasing logger's skills in a fun and exciting competition. Our community has grown by almost 2000 people over the past 3 years and our traditions need to be shared with them and all of the other new residents of Western Washington. They need to become educated about the history, traditions and the value Logging and working forests provide to our world.

**We are very serious about sharing the history and traditions of the Northwest Logger. We continue to promote the industry with the displays at the Sky Valley Visitor Center year-round.**

Sincerely,

*Debbie Copple, Director*
